## Ohio Emergency Medical Services for Children Program

# *First-aid for Child Day Care Personnel*

## Trainer List

**October 2003**

---

The following is a list of trainers who will teach the Ohio Emergency Medical Services for Children (EMSC) Program's *First-aid for Child Day Care Personnel*.

The list has been grouped according to the child care licensing region in which the trainer indicates he/she will provide training (i.e. Canton, Cincinnati, Cleveland, Columbus and Toledo). If you are trying to locate a trainer for a particular area:

- 1) Look up the region that you work in.

<b>Region</b>	<b>Page Number</b>
Canton	3
Cincinnati	17
Cleveland	26
Columbus	42
Toledo	60

- 2) Within each region, the lists have been sorted by the trainer's city and the city names are in alphabetical order. If you are looking for a trainer in a large metropolitan area, check for suburb names as well. For instance, only several trainers are listed in "Cleveland" but trainers are listed in "Middleburg Heights", "Garfield Heights", "Bedford Heights", "Bay Village", etc.
- 3) In addition, the counties where trainers are willing to provide training have also been included so you may locate trainers in that manner.

If you have any questions about the information contained in the list, please contact Anne Bacon at 1-800-233-0785
