

EMSIRS-3 Vendor Status

If you use a software package to collect your EMSIRS data, your vendor will need to be compliant with EMSIRS-3 or with NEMSIS 3.4 data standards. Below is a listing of vendors known to either be compliant with these standards or that are in process:

Reporting to EMSIRS-3 (*) or Ready to Report	Currently Testing with EMSIRS-3	Not Currently Testing with EMSIRS-3	Discontinuing EMSIRS
Alert Public Safety Solutions		Clayton IDS	COptions
AMR*		CISCO	FTSoft
Beyond Lucid		FireTracker	Nfocus
Code Red EMS		MCA	Ortivus / Tritech
EF Recovery*		ProPhoenix	
Emergency Networking*			
Emergency Reporting*			
Emergidata*			
emsCharts*			
ESO Solutions*			
Firehouse			
Forte Holdings*			
Golden Hour*			
Image Trend*			
IMS*			
Intermedix*			
Medapoint			
OCI*			
Open Inc. / SafetyPad*			
Physio-Control*			
RAM Software*			
TylerTech			
Zoll*			

There are two methods of data submission from a software package to EMSIRS, one is manual file upload, the other is automatic file submission. Your vendor will be able to tell you which method to use.

If Your Vendor Is Not On The List Above, Is On The Not Testing List or Is Discontinuing

You need to contact your vendor *as soon as possible* to determine their status. If the vendor is not working towards EMSIRS-3 compliance or if you are unsatisfied with their response, contact the EMS Office of Research and Analysis at EMSdata@dps.ohio.gov and

we will be

happy to send you the contact information for the compliant vendors.
