Temporary Minimum Staffing Report Form

Agency Name: ___________________________ Date: ________________

Minimum staffing is ONLY to be used as a last resort when staffing levels cannot be met due to certified personnel being ill, quarantined, or not willing to work due to COVID-19 exposure or illness.

Requirements:

1. EMS agencies must exhaust all efforts with current staffing, mutual aid agreements, and consultation with the local county Emergency Management Agency before falling below minimum staffing.
2. At least one certified EMT, advanced EMT, or paramedic must be monitoring the patient during transport.
3. The driver must receive and have documented training on the operation of an emergency vehicle, moving a patient on and off the cot, and loading and unloading the cot.
4. The EMS agency’s medical director shall be notified immediately if staffing is reduced to minimum levels.
5. The Division of EMS shall be notified immediately in order to help assess the scope of any staffing shortages statewide.

Please complete the following:
What is the average number of ambulances operated each day? _____
How many of these vehicles will be reduced to minimum staffing? _____
