

## Naloxone Administration by Ohio EMS Providers, 2009-2019 <sup>1,2,3,4,5,6,7,8</sup> Summary Brief as January 22, 2019

Source: Ohio Department of Public Safety, Division of Emergency Medical Services, EMS Incidence Reporting System (EMSIRS).

<sup>1</sup> 2016, 2017, 2018, and 2019 data are preliminary.

<sup>2</sup> Reported naloxone administration data for “Out of Ohio” and “Blank/Unknown” counties and ZIP codes for CY2009 – CY2012 have been removed to eliminate data integrity concerns between multiple EMSIRS and national guidelines.

<sup>3</sup> The data includes naloxone administrations where county was not recorded (blank/unknown) n=145 (2016), n=93 (2017), n=64 (2018), and n=0 (2019).

<sup>4</sup> Naloxone doses administered in out of state ZIP codes are excluded.

<sup>5</sup> As of January 22, 2019, 819 of the 1,013 known transporting EMS agencies (80.8%) in 2018 reported through EMSIRS.

<sup>6</sup> As of January 22, 2019, 710 of the 1,016 known transporting EMS agencies (69.9%) in 2019 reported through EMSIRS.

<sup>7</sup> The accuracy of data reported to EMSIRS is limited by the number of individual EMS agencies submitting data and the accuracy of these submissions.

<sup>8</sup> These data represent the total number of naloxone administrations provided by EMS staff. They do not represent the total number of administrations provided in the entire state.
