Naloxone Administration by Ohio EMS Providers, 2009-2021

Summary Brief as February 1, 2021

Source: Ohio Department of Public Safety, Division of Emergency Medical Services, EMS Incidence Reporting System (EMSIRS).

1 2019, 2020, and 2021 data are preliminary.
2 Reported naloxone administration data for “Out of Ohio” and “Blank/Unknown” counties and ZIP codes for CY2009 – CY2012 have been removed to eliminate data integrity concerns between multiple EMSIRS and national guidelines.
3 The data includes naloxone administrations where county was not recorded (blank/unknown/out of state): n=53 (2019), n=56 (2020), and n = 3 (2021).
4 Naloxone doses administered in out of state ZIP codes are excluded.
5 As of February 1, 2021, 797 of the 1,018 known transporting EMS agencies (78.3%) in 2021 reported data through the new EMSIRS.
6 As of February 1, 2021, 867 of the 1,018 known transporting EMS agencies (85.2%) in 2020 reported data through the new EMSIRS.
7 The accuracy of data reported to EMSIRS is limited by the number of individual EMS agencies submitting data and the accuracy of these submissions.
8 These data represent the total number of naloxone administrations recorded by EMS staff. They do not represent the total number of administrations provided in the entire state.
