Training Objectives

- Provide overview of the OH State Download functionality and submission review tools within the OH Central Site Web Portal
- Demonstrate how to upload a file and review data submission report.

Accessing the OH Trauma Web Portal

- URL for accessing OH Web Portal is <https://oh.centernalsiteportal.com>
- Log in credentials will be provided to you by the OH Department of Public Safety.
- You can request Log in Credentials by e-mailing EMSDData@dps.ohio.gov
- Each user will have a unique User ID and Password.
- Each user will only have access to upload and review data submissions for their own facilities.

WARNING: APPLICATION/SYSTEM ADMINISTRATION AND SECURITY MONITORING

The use of this application/system is restricted to authorized users only. This application/system and equipment are subject to monitoring to ensure proper performance of applicable security features or procedures. Such monitoring may result in the acquisition, recording, and analysis of all data being communicated, transmitted, processed or stored in the application/system including but not limited to information stored locally on the hard drive, by a user. There is no right of privacy in this application/system. If monitoring reveals possible evidence of criminal activity, such evidence may be provided to law enforcement personnel and other personnel in conjunction with a report of improper or unauthorized use.

(Disclaimer - Any user who extracts information from the application/system unto media such as, but not limited to, a Floppy disk, CD, DVD, Flash Drive, becomes solely responsible for the safekeeping of that information).

Data Exchange Menu

Once you login you will see the “Data Exchange” tab on the Web Portal screen with the following menu options:

- Data Submission
- Submission Review

Data Submission Methods

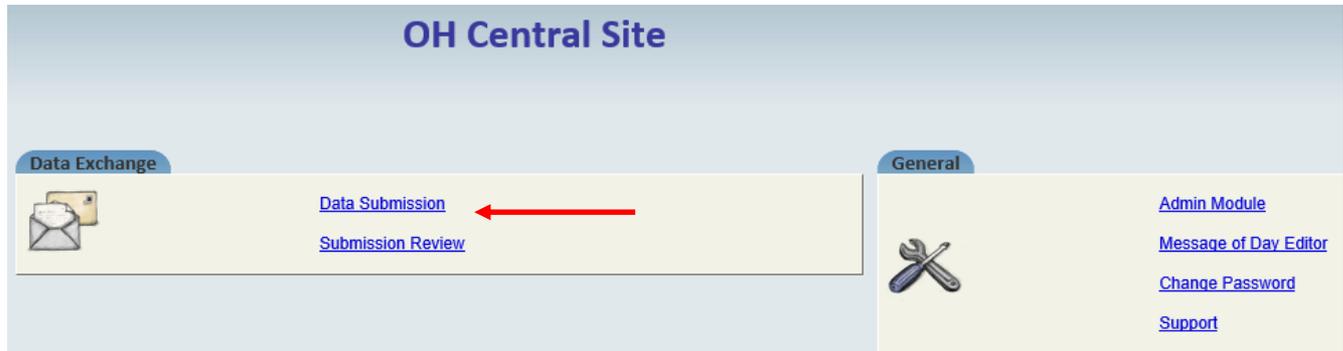

- Automatic

- DI Web Registry: files will automatically send files using an I-Send feature when records are closed.
- DI Windows Registry: files will automatically send files using an I-Send feature when records are closed and the State Download function is executed within the software.

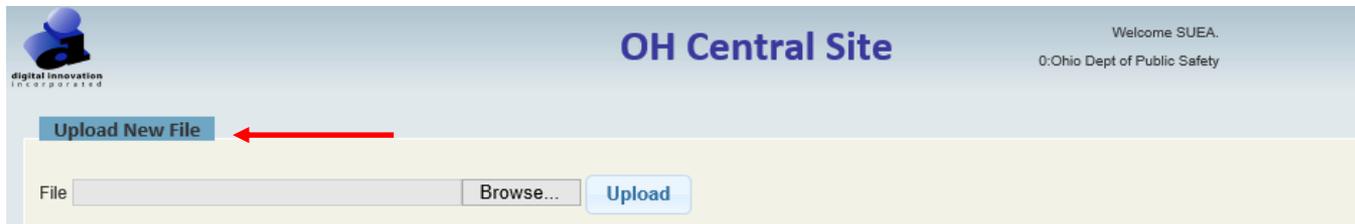

- Manual

- Registries that do not have I-Send feature will need to manually upload data files by accessing the “Data Submission” menu option under the “Data Exchange” tab.

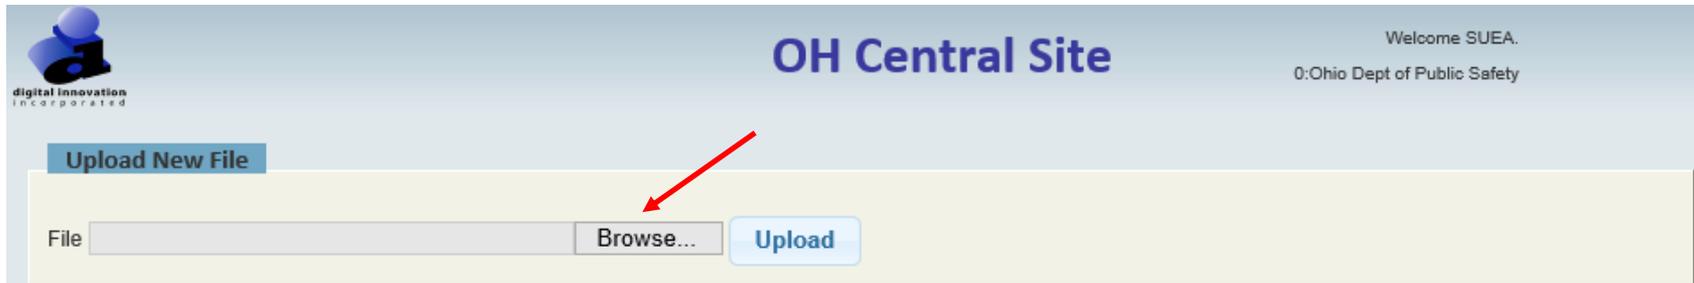

Data Submission – Manual Upload

- Click on the “Data Submission” menu option.
- The “Upload New File” screen will appear

Data Submission – Manual Upload

digital innovation

Upload New File

File Browse... Upload

- Click “Browse” to navigate and find the file that you want to upload
- Then click “Upload” button.
- After the data upload is complete, you will be notified that the file has been submitted and that it is being processed.

Your data submission has been received (submission 912). The Submission Review screen will show the status of your submission report in a few minutes

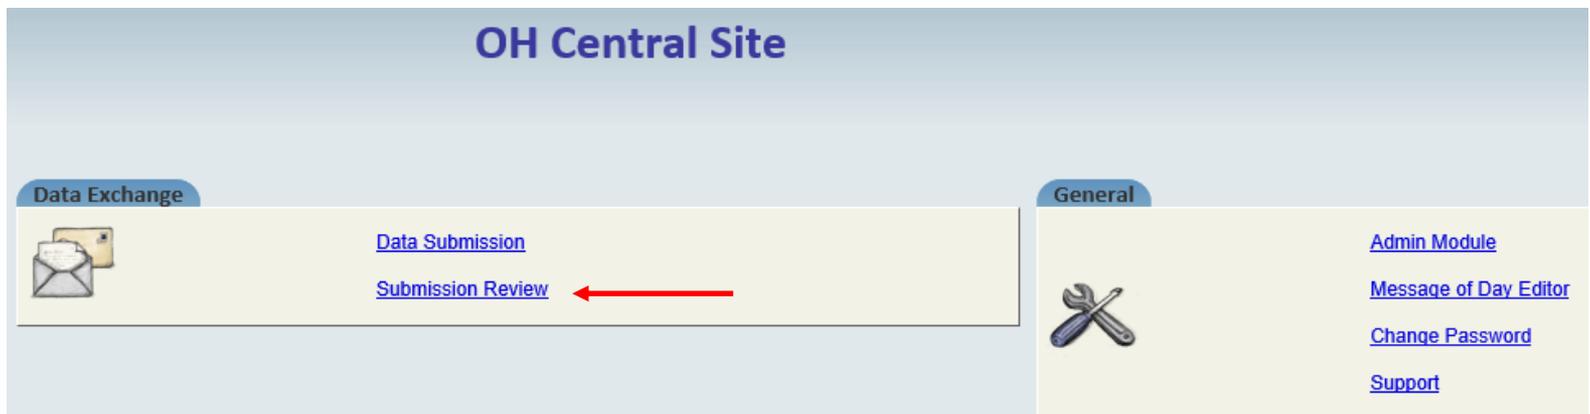

Return to [data submission](#)

Data Processing

- Once a file is submitted, each record will be evaluated by the validator
 - OH State Download is based on NTDB & Unique OH Business Rules
- Any record with Level I or Level II errors will fail submission and not be loaded in the system.
- Records that fail loading will need to be corrected and resubmitted.
- It is important to understand that records from a file load on a record by record basis so you can have records that successfully load and records that fail loading in one submission file.

Submission Review

- Under the “Data Exchange” section, click the menu choice for “Submission Review”.
- This feature can be used by any hospital to view submission reports for files that have been uploaded.

Submission Review

- When you click “Submission Review”, the “View Submissions” screen appears.

The screenshot shows the 'OH Central Site' interface. At the top left is the 'digital innovation' logo. At the top right, it says 'Welcome SUEA. 0:Ohio Dept of Public Safety'. The main heading is 'View Submissions'. Below this is a 'Submissions Filter' section with the following fields: 'Processing Status' (dropdown), 'Disposition Status' (dropdown), and 'Submission Date Range' (two date input fields with a 'To' label and a dropdown arrow). There are 'Search' and 'Reset' buttons. Below the filter is a table with columns: 'Sub ID', 'Name', 'Target Facility ID', 'Target Facility Name', 'Target Facility County', 'Target Facility State', 'Submission Date', 'Submitting User', 'EDA Start Date', 'EDA End Date', '# of Records', 'Processing Status', 'Disposition Status', and 'Submission Reports'. The table is currently empty, with the message 'No data available in table' displayed. At the bottom, it says 'Showing 0 to 0 of 0 entries' and has a search bar on the right.
