General Notes

The meetings will be held on a bi-monthly basis.

Matt Dick is to be added to the committee. Mr. Wright moved to add him and Dr. Schwartz seconded the motion.

The direction of this committee still needs to be defined.

There is a definite need for Medical Oversight Committee (MOC) members to be included. There will be a discussion with Geoff Dutton, who chairs the MOC, to see who would like to be involved. A mention was made that Dr. Paul Zeeb is interested.

A brief discussion was held regarding when future meetings would be. It cannot be the day before the Board meetings, as the time proposed would conflict with the MOC meetings. It was decided that the next meeting would be held before the June Board meeting (instead of having an Executive Meeting). The meeting will begin at 8:30 a.m. The topics to be discussed are as follows: Meeting times, the scope of the committee, and the addition of new members.

Next meeting:

June 19, 2019 at 8:30 a.m. at the ODPS – conference room 1102.
