5 workshops were held last fall and the evaluations will be completed next week.
Dr. Dahl-Grove has a fellow, SunHee Chung (present), that is interested in assessing the impact of the PECC workshop and having it presented.
**Action:** Ms. Beavers to get with Mr. Stack on the date to present PECC at the OAEMS Summer Conference June 28 or 29.

**Agenda Item:** Ohio EMS Survey Update – Joe Stack
A handout was given to committee on the response rate and percentages on the survey.
Mr. Stack went over the data with the committee.
55% of responses show interest in the PECC
Highest response rate we have ever had.
The committee discussed various data points on the survey. EMSC will look at what is the next step is after all data has been reviewed.

**Action:** Ms. Pickett will look into setting up a List – Serve group for Ohio PECC (Prehospital) registrants. Joe will follow up with results of survey and look at what is the next step.

**Agenda Item:** Revision of the State of Ohio Pediatric EMS Guidelines and Procedures Manual Discussion – Dr. Cunningham
The NASEMSO guidelines have been sent out for the committee. The Committee will need to decide how to implement the changes and if they will assign certain sections of the State of Ohio Pediatric EMS Guidelines and Procedures Manual. All editing should be in Track changes in one solitary document when adding information or suggested editions to the guidelines.

**Action:** Review the State of Ohio Pediatric EMS Guidelines and Procedures Manual with the guidelines from NASEMSO with the goal of having the final draft available by the next Board Retreat.
Joe Stack will get with Dr. Schwartz on implementing a plan on how the sections will be assigned. Dr. Leonard and Dr. Allotey volunteered selected sections to review.

**Agenda Item:** Ohio Pediatric Disaster Preparedness Coalition Update – Viola Webber
The goal is to increase awareness with the ED / Hospital Pediatric Care Coordinator specifically in non-pediatric hospitals. A workgroup was formed to take on this challenge of how to implement a pediatric champion in the ED. The ODH is working on a NICU evacuation exercise that is going to take place on May 23, 2018 with select institutions participating.

**Action:** No action

**Agenda Item:** Child Maltreatment Training Update – Dr. Julie Leonard
Dr. Leonard will get with John Molnar about how to attach CEUs to the training. The training is now live on the Public Safety Training Campus; however, no CEUs have been assigned or approved for the training yet.

**Action:** Dr. Leonard to speak to the Education Committee to see what the procedure is to get CEUs approved for the training.

**Agenda Item:** EMFTS Board Strategic Plan – Mr. Robert Wagoner
Most projects have been implemented in the previous Strategic Plan.
Mr. Wagoner explained the concept of the Strategic Plan Project Pillars.
It is suggested that a workgroup be formed to achieve the goals in the current Strategic Plan.
Mr. Wagoner discussed various projects, goals and/or tactics of the Strategic Plan.

**Action:** The Chair, Vice Chair, and liaison and committee members to discuss how to contribute to the various goals and projects that are identified in the Strategic Plan Pillars.

**Agenda Item:** EMSC Grant Update – Johanna Pickett
Looking to put on a pediatric emergency medicine fellows workshop
Creating a survey to follow up on the PECC Workshops
Developing an annual webinar
Publish quarterly bulletin articles to continue to expand or to grow the EMSC project. Discussions were had concerning specific survey data

**ACTION:** No action.

**Open Forum: Joe Stack**

We will be surveying the hospitals again this year: Focus will be on interfacility transfer guidelines for pediatric patients and interfacility transfer agreements between facilities, available online through NEDARC the survey will be launched in May 2018. We will be targeting 153 hospitals in this survey.

EMSC grant for 2018-2022 was approved by HRSA. EMSC program is supposed to be getting an increase in funding, but it is not known what the amount will be at this point and when it will be awarded.
